SMS Terms & Conditions

Effective Date: May 18, 2026

Program Name & Description

Program Name: System7 Customer Notifications

System7 operates an SMS text messaging notification program to keep customers informed about their service. Message types include, but are not limited to, appointment reminders, service status updates, technician dispatch notifications, and other operational alerts related to your System7 account.

Enrollment

By providing your mobile phone number to System7 and consenting to receive SMS messages, you opt in to the System7 Customer Notifications program. Consent to receive marketing text messages is not a condition of purchase.

Message Frequency

Message frequency varies depending on your account activity and the services you receive. You may receive up to [X] messages per month. System7 will only send messages relevant to your service.

Message & Data Rates

Message and data rates may apply. Your mobile carrier may charge you for sending and receiving SMS messages. System7 does not charge a fee for participation in this SMS program. Contact your wireless carrier for details about your plan.

How to Opt Out

You can cancel your enrollment in the System7 Customer Notifications program at any time. To stop receiving messages, reply **STOP** to any System7 SMS message. After you send **STOP**, we will send you a final confirmation message and you will receive no further SMS messages from us unless you re-enroll.

To re-enroll after opting out, contact us using the information below.

How to Get Help

For assistance, reply **HELP** to any System7 SMS message, or contact our support team directly:
